Hogebuilt Releases 2016 Catalog

Goodlettsville, TN (January 29, 2016)

Hogebuilt has released its new product catalog for the year featuring its stainless steel fenders and custom brackets. The products featured are produced with 304 premium mirror finish stainless steel and 430 mid-grade mirror shine stainless steel. The new catalog displays the patent-pending flush mount bracket. Hogebuilt's catalog is available online at www.hogebuilt.com and in a traditional printed version.

Since 1944, Hogebuilt has been the leader in providing premium fenders for the trucking industry. Best known for the 304 mirror finish stainless steel fenders and suspension specific brackets, Hogebuilt quality products are made in the U.S.A. and are The Ultimate Finish for Trucks!
